Nora Mill Miller's Gravy Mix

Directions

2/3 Cups Nora Mill Miller's Gravy Mix
1/2 Cup cool water
1 1/2 Cups boiling water

Pour 1 1/2 cups water into small stock pot and heat to boiling. Pour 1/2 cup cool water into a small mixing bowl. Add 2/3 cup Nora Mill Gravy Mix and whisk together until smooth and most particles are dissolved. Add mixture to boiling water and whisk continuously until bubbling ... mixture will thicken as it cooks. Reduce heat and whisk occasionally until desired consistency.

***For sausage gravy**, add cooked, crumbled sausage and drippings to prepared gravy. Serve hot over biscuits, grits, toast and more.

INGREDIENTS: Vegetable shortening (partially hydrogenated soybean oil), modified food starch, enriched wheat flour (niacin, reduced iron, thiamine, mononitrate, riboflavin), corn syrup solids, salt, sodium caseinate, black pepper, mono and diglycerides, dipotassium phosphate, sodium silicoaluminate, luminumate, lecithin and natural color.

To maintain the flavor and nutritive qualities of whole grains, they should be kept in airtight containers in the refrigerator or freezer.
